UNDERGRADUATE OPEN DAY

Our open day provides you with an excellent insight into university life from both an academic and social perspective. It presents an opportunity for you to find out more about our courses and facilities.

Westminster Business School courses are taught at our Marylebone Campus which is currently undergoing a £20 million redevelopment for September 2012.

There will be an opportunity for you to see what this exciting new development will look like and the advantages it offers for you.

There will be a comprehensive programme of:

- Presentations
- Drop-in advice desks

This programme will help you to plan your day. Details of events and presentations are included, so that you can make the most of your visit.

Course information

There will be a presentation on our courses with drop-in advice sessions which run throughout the afternoon. These are run by course tutors and academics to allow you the opportunity to meet the staff. Please refer to the presentation timetables for more information.

Our new facilities at our Marylebone Campus

A representative from the architects will take you through a visualisation of the exciting new facilities at the Marylebone Campus which you will experience when you join us in September 2012. This will be part of the School presentation in the Regent Street Cinema.

Information about student services

Finance officers, student accommodation and admissions staff will be available throughout the day to answer any queries you may have about financing your time at university, housing, and the admissions process. They can be found in Fyvie Hall.

Student finance 2012 talk

A representative of the Student Loan Company will address many of your queries regarding fees and finance in a short presentation. They will be located in the Regent Street Cinema where they will be available to answer any additional questions you may have.

Student ambassadors

We have an experienced team of student ambassadors who will be on hand to look after you on the day. All our ambassadors are students at the University of Westminster and they will guide you to where you want to go, answer any questions you may have and tell you what student life is all about.

Food and drink

Refreshments and snacks can be purchased throughout the afternoon at the Gallery Café leading off the main foyer.
