# UNDERGRADUATE OPEN DAY

Our open days provide an excellent insight into university life from both an academic and social perspective. It is an opportunity for you to find out more about our courses, facilities and halls of residence.

This programme will help you to plan your day. Details of talks and tours are included, for you to make the most of your visit.

## **Tours**

Tours will be available throughout the event. The assembly point for the tours will be at the main entrance. Simply join a group there and a student ambassador will take you on a tour of our campus and facilities, sharing with you what student life is all about.

## **Hear about courses**

There will be talks starting at 2.15pm. These are run by course leaders and academics to allow you the opportunity to meet the staff. Please see the presentation timetable for more information.

## **Student ambassadors**

We have an experienced team of student ambassadors on hand to look after you throughout the event. All our ambassadors are students at the University and they will guide you, answer any questions you may have and tell you about the Harrow Campus.

## **Information desks**

There are information desks at the entrance here you will find staff and students available to discuss your future studies. Finance officers, student housing and admissions staff will be available throughout the afternoon to answer any questions you may have about financing your time at university, housing and the admissions process.
