MARYLEBONE CAMPUS

SATURDAY 3 MARCH 2012, 2 – 5PM

UNDERGRADUATE OPEN DAY

Our open days provide an excellent insight into university life from both an academic and social perspective. They present an opportunity for you to find out more about our courses, living accommodation and facilities. This programme will help you to plan your day and make the most of your visit.

Find out more about our Marylebone Campus redevelopment

A £20million redevelopment of Marylebone Campus is scheduled for completion in August 2012. The improvements will offer a better experience for students and provide world class teaching, social and research facilities. The welcome talks will offer you more information on this exciting project and details of the new facilities can be found in rooms M210 and M419 throughout the day. To find out more please visit westminster.ac.uk/marylebonedevelopment

Talks and presentations

There will be various subject presentations throughout the day. These are run by the course team to allow you the opportunity to meet the academic staff. Please refer to the presentation timetable for more information.

Information desks

There will be subject specific drop-in advice sessions where you will find academic staff available to discuss your future studies.

Finance officers, student accommodation and admissions staff will be available during the open day to answer any queries you may have about financing your time at university, housing and the admissions process.

Student finance 2012 talk

One of our senior finance officers will address many of your queries surrounding fees and finance in a short presentation. They will also be located in room M207 and will be available to answer any additional questions you may have.

Accommodation

First year students studying at Westminster's central London campuses can apply for accommodation in the brand new en-suite hall in Wembley. This will be opening in September 2012. A representative from our Student Housing Team will be available in M207 to answer any questions you might have about accommodation. Please note that no accommodation will be available to view at the Open Day.

Student ambassadors

We have an experienced team of student ambassadors who will be on hand to look after you on the day. All our ambassadors are students at the University of Westminster and they will guide you to where you want to go, answer any questions you may have and tell you about our Marylebone Campus.

Refreshments

Tea and coffee will be provided in rooms M419 and M210.
