**January 2019**

Congratulations on being accepted into your MA course, and welcome to the University of Westminster. We look forward to meeting you in January at the orientation programme which takes place during the week before the start of formal teaching. At Orientation you will meet your Course Leader and the rest of your Course Team and fellow students. Some of the orientation sessions are combined for all the MAs in the department, which gives you a chance to meet students in other subjects too. The details of the orientation programme for your MA are shown in this booklet.

If for some reason you cannot attend one or more of the Orientation sessions, it is important that you contact your course leader by email (see your Course Specific information below).

We all look forward to meeting you in this Orientation week.

With best wishes
