

**ORIENTATION WEEK SEPTEMBER 2018 : Full and Part Time students**  
**Events for students taking the Energy and Environmental Change course**  
➔ Energy and Environmental Change MA

Before arrival, students should visit the Department's [Orientation Website](#)

Congratulations on being accepted onto the MA Energy and Environmental Change. My colleagues and I look forward to working with you and we will endeavour to ensure that your time with us will be creative, exciting and fulfilling.

On the attached pages you will find details of your time with us at the start of the year. During Orientation week we will go through the course programme with you in detail. We have arranged a number of activities to help you settle in and prepare for your time with us. This will include familiarising you with workspaces, who you will be working with, the campus and its community before you start the formal, scheduled learning weeks.

If you have any queries, please do not hesitate to contact me at the email address below.

Best wishes and welcome to University life. We look forward to seeing you in September.

Kind regards

Wojciech Ostrowski
