

Course Changes for September 2020- Summary for Students

During these unprecedented times due to the global coronavirus pandemic, your wellbeing, health safety remain our primary concern. We have therefore made some temporary changes to your programme to enable you to continue your studies safely at our University.

We anticipate that these changes will be in place for the 2020/21 academic year. However, if it's possible, we will return courses to their normal operation earlier if UK Government guidance allows.

We feel the changes we are making will benefit you, ensuring you can complete your programme on schedule whilst continuing to receive the same high-quality education for the duration of your course.

We do recognise not everyone may feel comfortable with this change and so, in accordance with our Terms and Conditions, we are now giving all continuing students an option to withdraw from your programme without financial penalty. In practice this means you would not re-enrol in September and instead would receive a transcript for the credits you have achieved so far. Alternatively, you could defer your studies until the 2021/22 academic year when we hope to have returned to on campus delivery if Government guidance permits

We do hope you choose to continue your studies with us at this difficult time for us all. The proposed changes to your course are designed to ensure you will continue to receive the highest quality of education whether this is delivered online or physically distanced on campus or, potentially, a blend of the two

If you wish to withdraw or defer you have until the start of teaching week two (28th September 2020) to notify us of your decision without incurring tuition fees. Your Campus Registry will confirm the process for doing this. We do hope though that you will continue your studies and remain with our University community during the year ahead.
