

ORIENTATION WEEK 2018

MSc Entrepreneurship, Innovation and Enterprise Development

FULL-TIME

Congratulations on being accepted onto MSc Entrepreneurship, Innovation and Enterprise Development. We look forward to working with you and we will endeavour to ensure that your time with us will be creative, exciting and fulfilling.

On the attached pages you will find details of your time with us at the start of the year. During Orientation week we will go through the course programme with you in detail. We have arranged a number of activities to help you settle in and prepare for your time with us. This will include familiarising you with workspaces, who you will be working with, the campus and its community before you start the formal, scheduled learning weeks.

You will receive more details about your programme of study during the orientation events. Contact details for key University services and administrative offices can be found at www.westminster.ac.uk/key-contacts. Academic staff contact details are available at www.westminster.ac.uk/academic-staff.

Essential Westminster is the University's student handbook and all new students will receive copies of this at their enrolment sessions. The guide provides an introduction to the University, its services and resources, with links to more detailed online information. You can also download a PDF version of the guide at www.westminster.ac.uk/essential-westminster

The 'Current students' webpage is your main gateway to the University's online resources. The latest news and events are also published here, so make sure you visit the page regularly to keep up to date with what's going on at the University. The webpage can be found at www.westminster.ac.uk/students.

Best wishes and welcome to University life. We look forward to seeing you in September.

Kind regards
