

WESTMINSTER BUSINESS SCHOOL

Exchange Students

JANUARY 2019

Dear Student,

As the International Student Tutor and the Exchanges Programme Administrator in Westminster Business School, we are pleased to welcome you to the University of Westminster.

To get you started in Westminster Business School (WBS), we have arranged a programme of activities that will help you get to know other students on the course, meet the teaching staff, find your way around the site and have your questions answered. During this week all new undergraduate students are allocated a FAN (Friend of Arriving New Students). Your FAN will be there for you through your first week to show you around the University and to answer any questions you may have.

The WBS welcome programme commences on **Wednesday 16th January at 9.45 am**, when we will give you an introduction to important aspects of your study in WBS. This will be followed by, a training session on Blackboard (the University's virtual learning environment), lunch, a tour of the Marylebone campus, a library induction and enrolment finishing at 4pm.

Full details of the welcome programme are enclosed and it is important that you attend all the activities. We look forward to welcoming you to the Westminster Business School, and, in the meantime, should you have any queries, please do not hesitate to contact the University.
