# UNDERGRADUATE OPEN DAY

Our OPEN DAYS provide an excellent insight into university life from both an academic and social perspective. They present an opportunity for you to find out more about our courses, student life and facilities, and to look around the Cavendish Campus.

This programme will help you to plan your day. Details of events, presentations and tours are included, so that you can make the most of your visit.

## Talks and presentations

There will be various subject presentations throughout the day. These are run by course leaders and academics to give you the opportunity to meet the staff. Please refer to the presentation timetable for more information.

## Information fair and drop-in advice desks

Informal drop-in sessions with academics will be in the ground floor student social space from 11am to 3pm.

In the Foyer will be an opportunity to speak to staff from Admissions and Student Services.

## Student ambassadors

We have an experienced team of student ambassadors who will be on hand to look after you throughout the event.

## Campus Tours

Tours will be available throughout the open day. The assembly point for the tours will be the Foyer. Simply join a group there, and a student ambassador will take you on a tour of our campus and facilities, sharing with you what student life is all about.

## Food and drink

Refreshments, snacks and lunch can be purchased throughout the day in the café. There are also vending machines located on campus. Tea, coffee and water will be provided in the Social Space (ground floor).

## Accommodation tours

We will be providing tours of our accommodation facility at Raffles House (Wembley) on the day between 10am – 4pm. Please ask any of our Open Day staff at the Cavendish Campus for further details.
