MA Human Resource Management

JANUARY 2019

PART-TIME

As the Course Leader of the MA Human Resource Management, I would like to take this opportunity to welcome you to Westminster Business School. I hope that you will enjoy your time here and that you will gain a great deal from this course.

In order to fully prepare you for your course we invite you to attend a programme of orientation commencing **Monday 14 January 2018**.

We appreciate that it may be difficult for you to attend all the events because of work commitments, but it would be helpful to you if you come to as many as possible. It is important, however, that you do attend the following:

Enrolment Introduction to the course

Teaching starts in the week commencing 21 January. You will receive more details about your programme of study during the orientation events. Please note that there will be a module delivered during the summer (June/July).

Contact details for key University services and administrative offices can be found at the following link: www.westminster.ac.uk/key-contacts. Academic staff contact details are also available at www.westminster.ac.uk/academic-staff

Essential Westminster is the University's student handbook and all new students will receive copies at their enrolment sessions. The guide provides an introduction to the University, its services and resources, with links to more detailed online information. You can also download a PDF version of the guide at www.westminster.ac.uk/essential-westminster.

The 'Current students' webpage is your main gateway to the University's online resources. The latest news and events are also published here, so make sure you visit the page regularly to keep up to date with what's going on at the University. The webpage can be found at www.westminster.ac.uk/students.

I very much look forward to meeting you on **Monday 14 January**.
