Notes:

GPA = Grade Point Average of the profile (4* to u/c) obtained by a weighted average of staff numbers and percentage at each quality level

Power Rank = rank based on overall rounded GPA multiplied by exact total number of full-time equivalent staff submitted

Submissions to UOA = total number of submissions from all institutions to that UOA

Including single subject HEIs = this includes institutions that submitted to only one UOA which are ranked separately, the rank takes into account those had higher GPA than Westminster
