UNIVERSITY OF WESTMINSTER OPEN DAY PROGRAMME

An Open Day is the perfect opportunity to find out everything you need to know about studying at the University of Westminster. Ask questions and get information about your chosen course, tour the campus and speak with current students who can give you an insight into student life at Westminster. This programme will allow you to plan your day and make the most of your visit.

COURSE PRESENTATIONS

These sessions are course-specific talks that are delivered by our course leaders or academics. You can gain an insight into the course you want to study and ask any questions you may have.

ADVICE DESKS

Drop by our various advice desks throughout the day to find out information and ask questions about admissions, employability, finance, the Students' Union, studying abroad and student support services.

There is also a drop-in desk for parents and carers of prospective students.

GENERAL TOURS

Take a tour of the campus with a current student who will give you a real insight into student life at Westminster. You will be able to see various student spaces, including the library and social areas, as well as other facilities that this campus has to offer.

ACCOMMODATION VISIT

Deciding where to live while you're studying is an important decision – take this opportunity to experience our halls of residence first-hand. Tours of Harrow Hall leave from the Main Reception every 20 minutes. Our student accommodation facilities at Raffles House, located in Wembley, will also be open throughout the day for you to visit. You will be required to make your own way to the site, where you can take a tour of the halls.
